Anna -
Been real
fun - hope you
Plans for next year
are even. so soon!
I'm really excited about
going to a new school - hope
to see you and your sis
when of visit. OK.
Love ya both

Tom Wolfe

Anna,

I'm glad I got to know you
and your family here, and
you a BABE - so I'll see
you a little later, and hope
to do.

Love
Tom, P.

Anna you're graduating
in a year and will
be able to see
other anyone any-
where. I've been fun these
two years. And I
hope I'll see you again

Love

So if you ever want to
go swimming just call
me up. 377-5773

LOVE YA...

Wish we could have been
closer this year. Think your
really cute and just as sweet
and will always remember you.
Hope you'll come back to the
school and visit some time
Good luck at College and in
the future.

Love ya always

The California Way —

From Sacramento to San Francisco to L.A. The sharp, clean lines of the Trans America spire coexist with the hiss and rumble of the old Skunk Railroad.

The pattern of twinkling lights from the teeming city contrast with the serene, ascetic San Juan Capistrano.

It all spells diversity, a unique blend of old and new, pulsing vibrations and unbroken silences, waiting to be explored.

Anne - Congratulations on your
orchestra award, you did great in
my fair lady, its to bad I didn't
get to know you that well
this year. Have a good time
in college, keep smiling.

Love Art

Anne,
I'm glad I
got to know you
the little bit that
I do. Have a
funnier time in
college and see
you're
a really
super person.
Remember to
always stay that
way. Love always
Anne

Inland wonders abound: Towering red-woods, Yosemite's cascading waterfalls, the mountainous terrain, draped in snow, the air cold and biting, a desert flower found blooming on the parched landscape.

Extremes echo all around us.

Anna
 I am glad I
 met you, your a
 pretty litcher person.
 I am brimmed that I had
 to meet you in the most
 longest class in the school.
 Gains is one of the biggest goons
 I know. Have a good summer and
 don't do anything I wouldn't do.

We stand against a backdrop of disparate coastal beauty. Coral is found in the northern waters, surfers in the southern. Yet, at dusk, the great expanse of ocean and sand is united by the sinking light of a California sunset.

California is fun and fantasy. Its people revel in a variety of amusements, ranging from Disneyland's Mickey Mouse to a wild spin in Knott's tea cups to the dancing lights at San Diego's Sea World.

I love the way you
 look at the world
 in the summer

A profusion of colors, scents, and
 sounds greet the visitor to Art for Fun(d)'s
 Sake, the Hill's annual art festival. The cre-
 ative spirit is fostered across California by
 an openness to change, innovation, and
 experimentation.

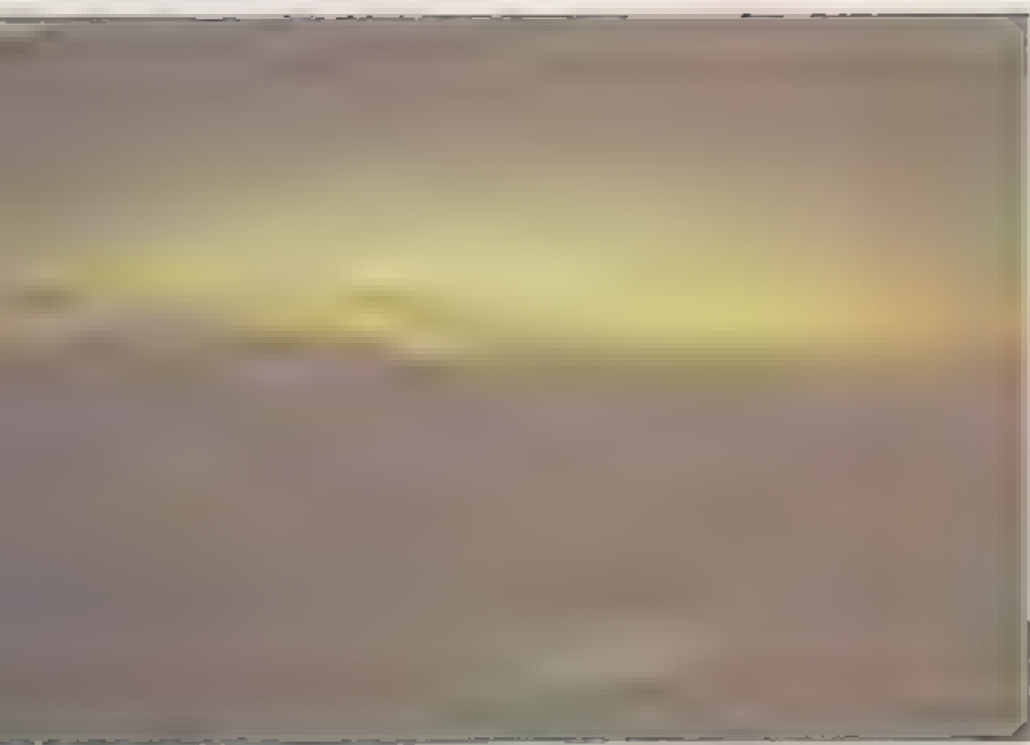

Whether one prefers a horseback ride along P.V. Drive North or a soccer game on a Saturday afternoon, the popularity of outdoor life is indisputable. Blessed with a splendid climate, there is no limit to the number of sports Californians can and do enjoy. This is the land of infinite possibilities.

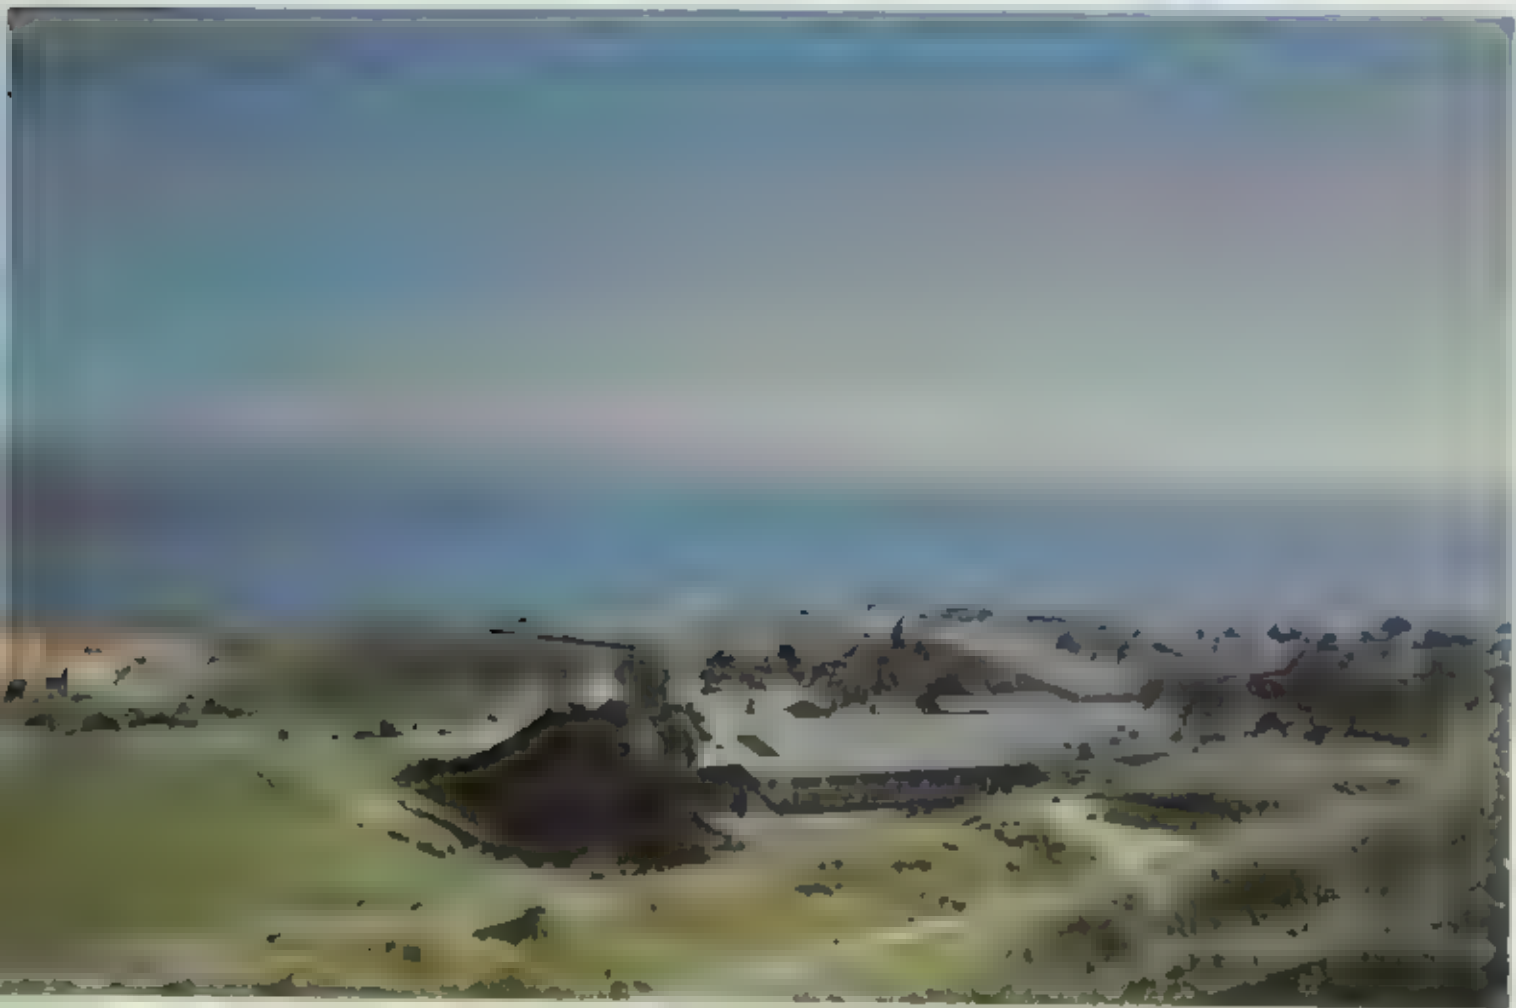

I have a very good
 friend who is a very
 good person and I
 like him very much.

IN MEMORY OF

CAROL REIMER
JOHN WOODEN

For what is it to die but to stand naked in the wind
and to melt into the sun?

And what is it to cease breathing, but to free the
breath from its restless tides, that it may rise and
expand and seek God unencumbered?

Only when you drink from the river of silence shall
you indeed sing.

And when you have reached the mountain top, then
you shall begin to climb.

And when the earth shall claim your limbs, then shall
you truly dance.

— Kahlil Gibran —

The Clerical and Custodial Staffs make crowded conditions at RH bearable. Clean rooms, pencil sharpeners in working condition, swept lawns, pruned trees, a baseball diamond and football field ready for play, student purchases handled efficiently, attendance records, daily bulletins, transcripts, job contracts — these are things we tend to take for granted. But a group of dedicated people make them happen and thereby enhance the environment where we learn.

Language — ever-growing, constantly changing. Being adept at speaking French or Spanish or any other language means having the chance to communicate with people of other countries; it means meeting new challenges, requirements, perhaps holding a job abroad. To break the language barrier is a worthy goal, for time and effort are both wasted when we cannot speak the proper tongue, when we cannot make ourselves understood.

Rising taxes, rampant inflation, environmental pollution, decay of the inner city, suburban pressures, unemployment, crime, diplomatic struggles. What lessons may we learn from the past? A time for change, yes — but if we run from something, we must likewise run to something. What are the choices? Which new ideology shall we now embrace?

Assure our tomorrow won't hold emptiness. Arrive at decisions to problems confronting public education. Close the communication gap. This year the Board decided to raise the number of credits for graduation, starting with the Sophomore Class. This increase is intended for the good of the student, to create a bright future.

Let the bells ring, let the trumpets sound. Let cries of joy be heard from every rolling hill. The point in our lives that had always seemed so far away has finally arrived. Through the years we spent in school, each day seemed to pass so slowly. But now, as we look back, time has surprised us with its swiftness.

As each of us goes ahead to find his own way in life, we may lose touch with those who have been a part of our daily routine. Our fellow classmates of today may become tomorrow's philosophers, writers, burglars, or political revolutionaries. Who knows what the future holds? Maybe we should stop asking such stupid questions.

Halloween haunts art room

A Halloween party that some might call strange, 'cause the weird and wild guests that arrived could range from monsters and ghouls, clowns and spooks, to dice-people, vampires, and an assortment of kooks. In the art room, they gathered, in a feast to the hips. They dined on sweet colas, baked goods, and crisp chips. These were treats for the tricksters, a real Halloween munch-out that would quite guarantee they would have to cut lunch out. For those at the party, or anywhere near it, would have to agree that they had the spirit.

Girl "phys-eders" salaam to the observing Ms. Joan Ohrmund. P.E. classes include many different exercises to keep the student body in shape. Though seniors can be exempt from P.E. for one semester, many return so that they may again enjoy the casualties of an overcrowded locker room.

Enthusiasm for P.E. motivates a student to try and hit a passing lightning bolt. Indoor activities do not hamper the spirits of P.E. students. Many energetic individuals have found that equipment can be lost or broken just as easily inside as outside.

Connie Stokoe, Liz McDermott, and Chris Rose were three of the many students who dressed up for the Halloween Art Party. Each

year all the Art and Ceramics students bring food and drink and have fun. All students created their own imaginative costumes.

Students get into the Halloween spirit

Jack O' Lantern made a guest appearance at a Halloween party given by the Ceramics classes. Although brief his debut was successful.

Art teacher Dave Bradbury models his stylized bird costume as an inspiration for his students. He was unique to say the least.

Choreo members kick-off Homecoming

Choreo members Suzie Halsted, Alison Kan, Gail Laxneta, Robin Suxton, and Ingrid Buchmann display their dancing talents in the popular Homecoming Choreo show. The experienced dancers

had to make their own colorful Greek costumes and practice very hard in their own spare time.

Varsity cheerleaders and songleaders arouse school spirit during a home basketball game. Turn-out at these games was

consistently high, indicative of our school's support of its athletic teams.

Fitness is an education

Greg J. Kolmann and his friends take advantage of some free time and an empty court. No threat to the Varsity team, they had fun nonetheless.

Several students in the Beginning dance class warm up in the gym. Exercising helps them to tone their muscles in preparation for their routines.

They do this by putting in many extra hours of their own time and generally fulfilling their job requirements to the greatest extent of their capabilities. This year, they have been actively engaged in a revision of the school constitution. These leaders, elected by the student body, are sent to Leadership Camp and are taught leadership, guidance, and direction.

Homecoming is considered a spirited tradition at RHHS. Every year Homecoming is expressed in a theme. This year's theme was "Greek Week." To arouse spirit, Homecoming booths were filled, folk dancers performed, athletic and entertainment events were held, and the football game provided its usual, competitive atmosphere. The whole school came alive, and there was wide participation on the part of students in all of the attractions.

Mock wine is sold for twenty cents a glass at one of the numerous, creative Homecoming booths.

The Homecoming Fair has a variety of booths. One of them is sponsored by the Shakespeare Club. They sell many appetizing things to eat to the hungry students.

Homecoming is a time for school spirit, participation, and fun and games. Much of the student body took part in the activities during Homecoming Week. Choreo and other dance classes performed Greek folk dances in keeping with the theme. Clubs and individual classes set up booths for the fair, which has become a tradition. They sold food and thirst-quenching drinks. Many people participated in this year's fair, and so the booths profited their organizations and classes. Graduates returned to the Homecoming Dance and visited with old friends and teachers. Emotion filled the air, and memories were vivid once again.

Physics and Music Entertain Students

Spiritual, rousing music fills the air during a lunch assembly. The band, Amplified Version, had just recently performed at Disneyland, and their show proved equally popular at RH.

Also scheduled for an assembly was Professor Julius Sumner Miller. Students indeed benefit from this unique type of learning experience.

Football

This year's Varsity Football Team finished with a 4 win-3 loss in League and a 4 win-5 loss record overall, finishing 4th in the League. After losing their first four games straight, the Titan's offense and defensive attack toughened. As they came back to win four games straight against Hawthorne, South, North, and Centennial, CIF hopes were still alive, but they were defeated, snapping the 4-game winning streak by co-league champ, West Torrance.

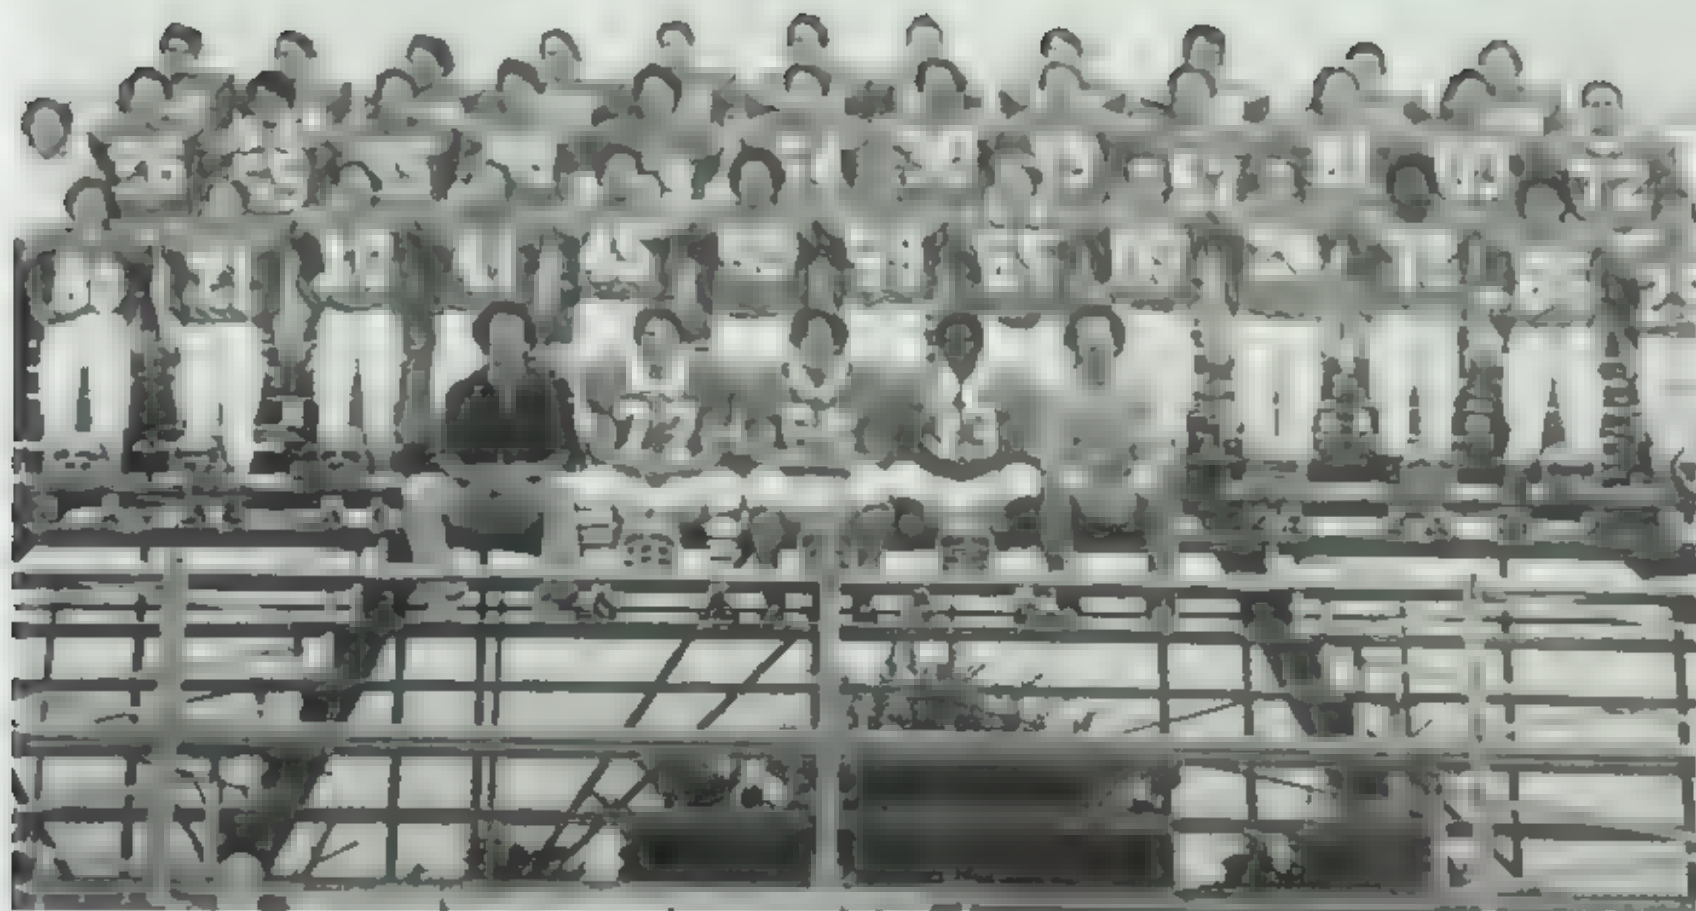

The Titans had a young team, with a junior quarterback, Pete St. Geme, and 3 sophomores end Kurt Bothner, safety Kevin Moen, and running back Brian Peterson. The running attack was led by Seniors Rick DeLao, Russ Richenberg, and Scott Logan. John Fox and Eric Vandenbrink led the offensive line, while the defensive line was led by backs Steve Harvey and Eric Anderson. The Titan offensive and defensive line consisted of such line players as tackles John Maher, John MacKenzie, and Art Hosmer, guards Randy Hurdle and John Fox, and tight end Brad Peterson who led the Titans to execute many outstanding plays this year.

Next year's team should consist of such fine players as returning starting lineman John MacKenzie, tailbacks Tim Finnegan and Jon Stott, and end Joe Garcia.

The Sophomore Football Team finished the exciting, but disappointing season, with a 2 win-7 loss record. The Titans credited this year's losing record to many unlucky breaks, causing the Titans to lose many key games. The offensive running attack was led by running back Don Mosich and quarterback Barry Donegan. Linemen John Stulman, Mel Kern, Glen Patton, and Jack Barrett helped lead this line running attack also.

The defensive line was led by middle guard Ben Felder, tackle Mark Capellino, and end Greg Stratton. The Titans snapped their losing streak by defeating Hawthorne 44-0, but they were not able to maintain this strong position for the rest of the season. Still, the Junior Varsity and Varsity Teams should be very tough next year.

The Freshmen had a disappointing season this year, finishing with a 1-7 season record. The only win came against Hawthorne, with quarterback Ed St. Geme handing off to tailback Mark King to take it from the 8-yard line. The Titan offensive line was led by tackle Rob Skinner. The defense was led by safety Ed St. Geme. The Titans should be strong contenders as they gain more experience.

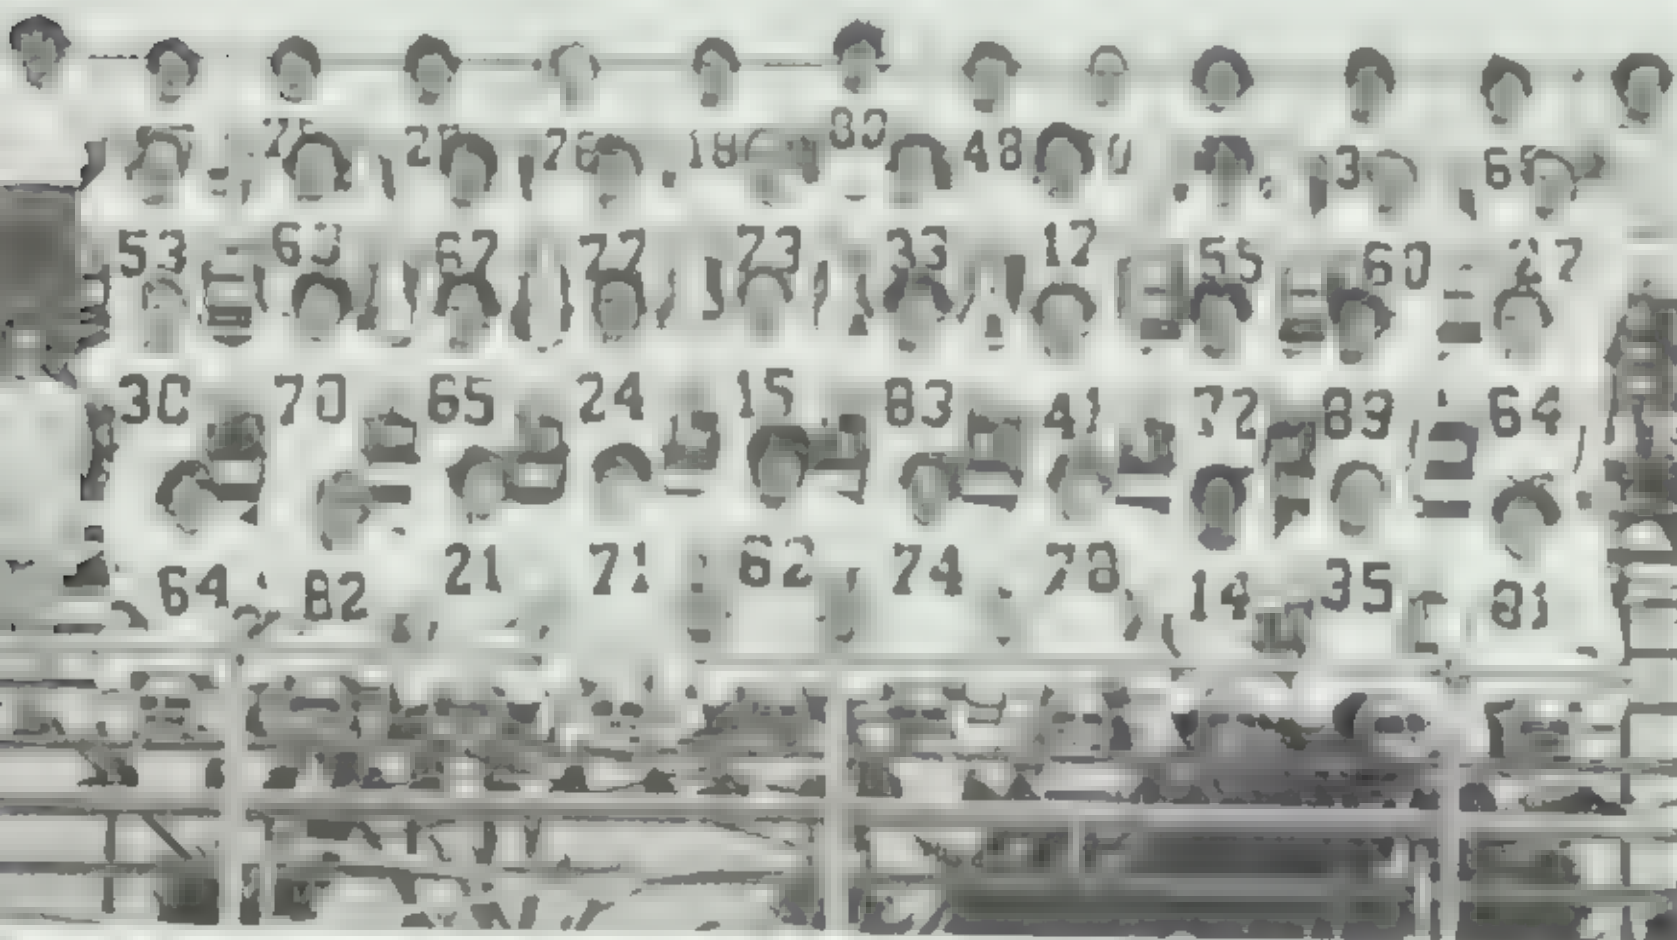

Varsity quarterback Pete St. Geme throws a pass to one of his talented receivers. The Titans had a good receiver in Brad Peterson this year.

Junior Rob Owens, a member of the Varsity Cross Country team, overtakes his opponent in an invitational meet

The 1976 Cross Country teams totaled seventy-six runners, the largest and one of the finest squads ever to be assembled at RH. The Varsity finished with a 4-1 record in dual meet competition, establishing the finest win-loss season record in the history of the school. Rolling Hills, finishing second in the Varsity at the League Championship Meet, captured a Varsity League title in 1976. This was the first Varsity Cross Country Championship team in the school's thirteen-year history.

Bill Watkins (team captain) and Lloyd Goss (co-captain) not only provided a solid one-two threat throughout the season, but afforded excellent leadership and guidance to all team members. Bill became the highest scorer in the school's history, with a perfect season of 28 points and the only RH runner to enter the 4 A, C.I.F. Finals. Mark Rail provided an outstanding third man for RH for the first two-thirds of the season. Then Mark suffered a hip injury that kept him sidelined for the remainder of the year. More runners were used on the Varsity level in 1976 than ever before, which indicates the tremendous depth of the team. Seniors Scott Bryars, Jon Gordon, Paul Kronenberg, Jim Robinson, Kasey Heflernan, Pat Conway, and Ken Chai all saw Varsity action. The J V team finished in a strong third place in the Bay League, with a record of 3-2.

Scott Bryars and Jim Robinson start off with an early lead in the CIF Preliminary Meet at Mount SAC. Robinson and Bryars both had a very successful season with the Titan team this year.

Possibly the finest group of Sophomores to ever run at Rolling Hills finished in a strong second place in the Bay League, behind Mira Costa, with a 3-2 dual meet record. The Sophomores were led consistently by Chris Micek, Eric Stassforth, Tim Lawrence, and Darryl Hunter, all of whom saw Varsity action this season. Grouped behind this outstanding foursome were John Lee, Greg Irwin, Chris Gardner, and Mark Frassinelli. John Jacques, Oliver Enders, and Bill Sullivan also provided excellent depth to an already strong team.

The Freshman team was led throughout the season by three standout runners: Vincent Calderone, Steve Catena, and Brent Wallace. In the Bay League Championship Meet, they finished 2nd, 3rd, and 4th, with Steve finishing ahead of Vince, among all Freshman runners in the entire league. Their overall second place league finish was misleading to the power of this fine team, who finished the season with a 3-1 dual meet record and even defeated the league champion in the Championship Meet. Other Freshman runners were Jerry Hester, Ricky Herold, Steve Lawrence, Jeff Crump, Keith Hoeflinger, Rick Parszik, Dave Lundquist, and Clarke McTaggart. All turned in fine performances.

The 1976 Water Polo Team finished league play with an 8-0 record, the school's best mark ever. They were Ocean League Champs. Named to the first team were Jim Axtell and Robin Leamy. Stuart Booth and Mike Kuprenas were named to the second team.

Bob Menzie led the scoring with 77 goals. Robin Leamy, with 53, Jim Axtell, with 35, and Lance Haisted, with 25 goals, all turned in outstanding performances. Axtell, Leamy, and Menzie were the top three in assists, respectively.

Mike Kuprenas and Bob Menzie were the strong men on the team. The Titans took sixth place in the South Bay Tournament and third place in the Monte Vista Tournament.

Jim Axtell was voted the Best Defensive Player, Stuart Booth was named Most Inspirational Player, Darren Hee was chosen Most Improved Player, Robin Leamy received Best Offensive Player, and team captain Bob Menzie was awarded Most Valuable Player. Three-fourths of the team will not be back next year because they are seniors. With three juniors and one sophomore returning, this will mean a Varsity Water Polo Team that is very young.

This year's JV Team took second place in a tough Ocean League, led by Bob Conlin, Marc Matulich, and Brent Stolpestad. The Frosh/Soph Team finished fourth behind Miraleste, Santa Monica, and El Segundo. They had an overall record of 7 wins and 9 losses. They took second place in the Monte Vista Tourney, led by Steve McConnell with 18 goals, and Jon Wisdom and Jerry Cowan, who tied with 14 apiece.

This was a rebuilding year for the team. There were only three players with a year's experience on the team. Jerry Cowan was the team captain, Steve McConnell was Most Valuable Player, Lindsey Reider was Most Improved Player, and Eric Roeder served as team manager.

Next year's team should be an excellent one, with all but four players eligible for the Frosh/Soph Team.

Soccer

Team strength, execution as a single unit, helped push the Titan Varsity Soccer Team to place well in the competitive Bay League. The team was led by Steve Roberts, Jon Bell and midfielder, Donald Stevens. The season was plagued with injuries, which hurt the Titans greatly. Playing in the well-balanced Bay League, the Titans had tough competition all season. Coach Roland Cesarini feels that the team should have more depth next year.

The JV Team placed second in the league this year. Leading the action were such outstanding players as Gary Patton, Marco Vanderlaan, and Paul DeSantis. The team gave the varsity the depth it needed to finish the season. This group promises to make up an excellent Varsity squad next year.

The Frosh/Soph Soccer Team played tough throughout the year, finishing strong in the Bay League. The team was led by Oliver Donan on defense and David Lebental on offense. Coach Joe Molchan feels that great expectations will be reached by these young men in upcoming years.

Basketball

The Varsity Basketball Team finished the 1976-77 season with a disappointing 8-15 record. Despite this finish, they could have just as well been 15-8, had it not been for the fact that many games were lost in the closing minutes. These games were very exciting and had intense action.

The team was led by Steve Anderson, who was the leading scorer and rebounder. Anderson made First Team Bay League and was the only returning starter from last year's team.

Other excellent performances were turned in by Guy Ceragioli, Dave Reinschreiber, Marc Kirkpatrick, and Kurt Bothner, with help from the bench by Jeff Newman and Dan McFarland. The team played with great determination and pride and were in full form in all but a few games, hanging in until the final seconds. Coach Clayton is optimistic about a fine team next season.

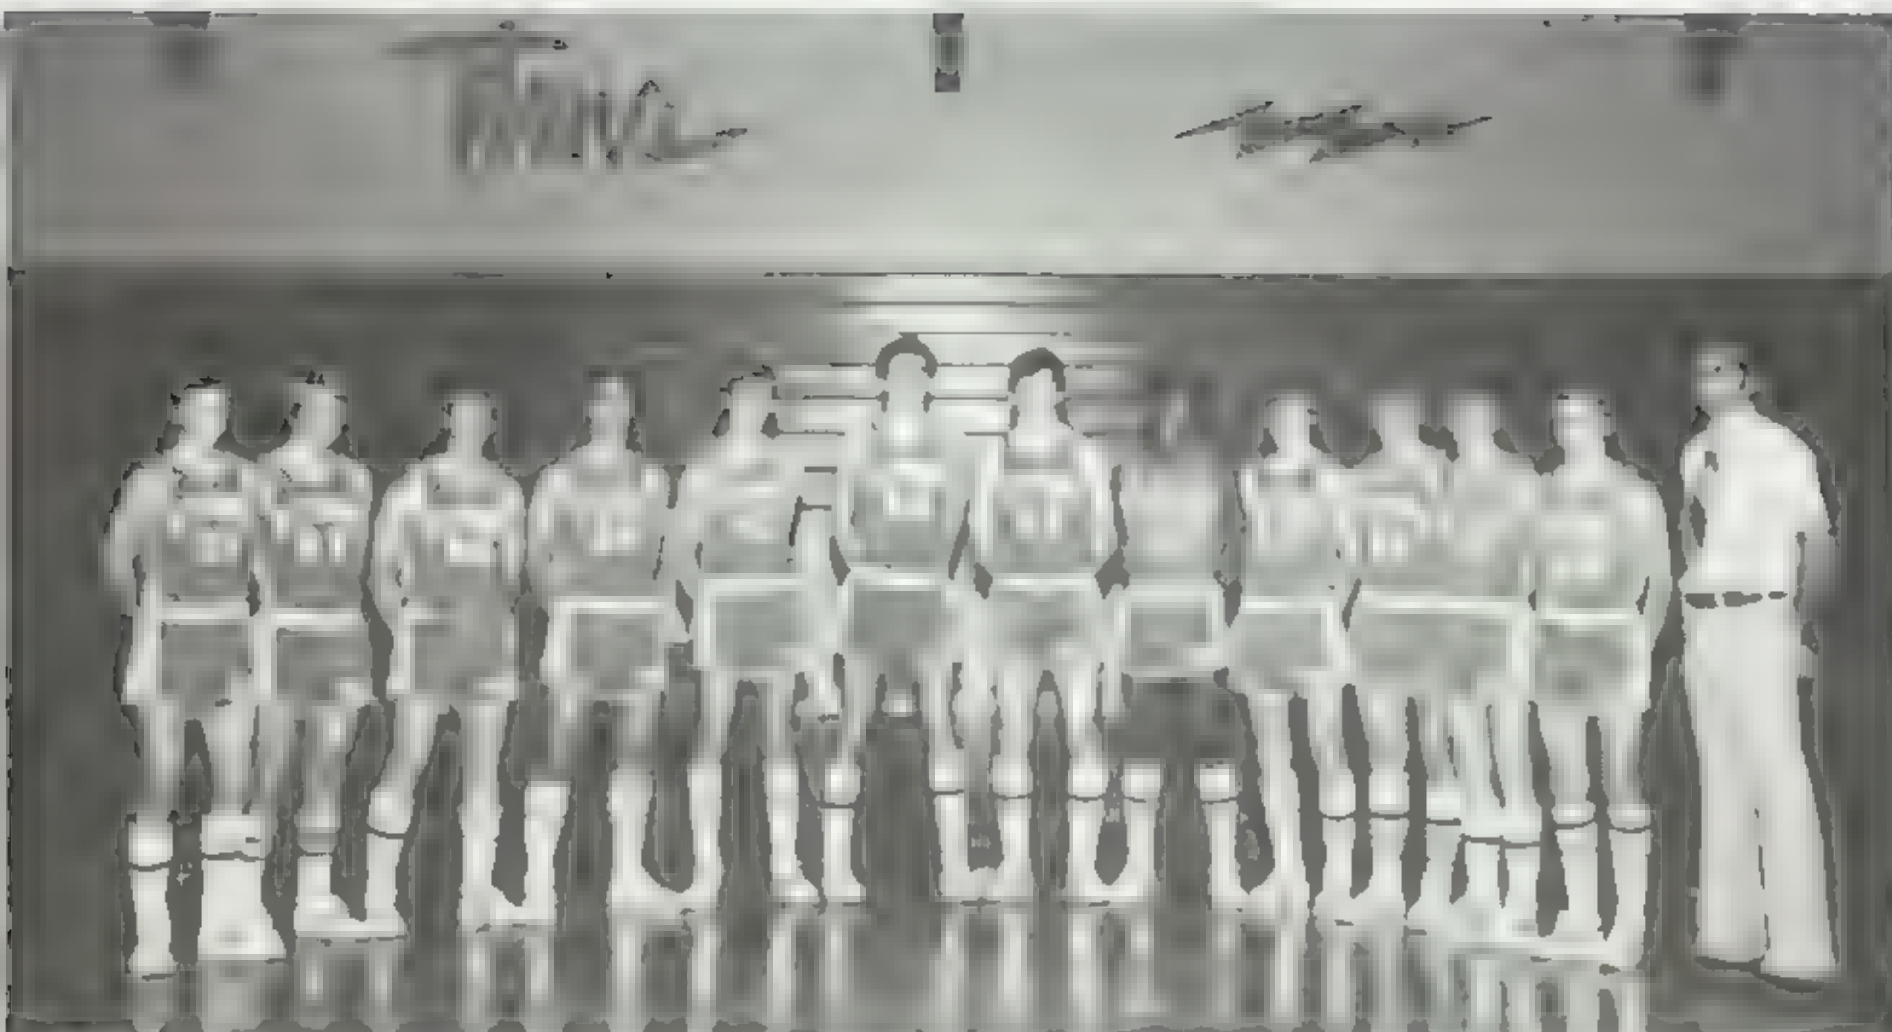

The 6 win-17 loss record by the JV Basketball Team does not reflect the determined effort with which they played. Always bouncing back, they never gave up. Playing in a tough league, their "never say die attitude" made up for their lack of size and the quality of the teams they played. Randy Cramm and Jim Mitchell led their team to play excellent defense throughout the year. Coach Bill O'Neill feels that he enjoyed this team as much as any he has ever coached.

Steve Anderson prepares himself for the rebound in a tight league game against the Tartars. Steve played extremely well all season.

Titan Mike Quigley, well-guarded by his Mira Costa opponent, attempts a shot late in the game. The Sophomore Team proved to be evenly matched in the Bay League.

The Sophomore Basketball Team finished the season with a fine 19-6 record capturing the Championship of the Mira Costa Tournament by beating West Torrance 64-64. The Titans took third in the league with a 10-4 record. As a result, they were named Most Valuable Player — Mira Costa Tournament). Gary Forster (All-League) — Mira Costa Tournament) and Kent Sheffer, Co-Captain.

The team's greatest asset was good balance, having all five starters scoring at least 9 points a game. With such fine balance and the effort the team showed, the Titans should definitely have a good JV season next season.

The Freshman Basketball Team had a very successful season this year, finishing with 21 wins and 11 losses. The team captured first place in the league, taking first place in the PV Tournament. The team was led by such outstanding players as Bob Fallace and Gib Martin. They were a solid team with a very well-balanced defense, holding their opponents to an average of less than 50 points per game. Our team scored on an average of over 60 points per game. Coach Bynum feels that they have great potential for the future.

Wrestling

Heavyweight John MacKenzie works for a take down in a meet against Mrales. John went on to win by a superior decision.

The Rolling Hills Wrestling Team finished with a 10 win-4 loss record, with an injury-plagued season. The team, led by Captains Steve Harvey, Rocky Lacy and Russ Richenberg, took third in the Peninsula Tournament. Steve Harvey finished the season undefeated in league. Taking first in the finals, he turned in an outstanding performance. Some of the other superior wrestlers this year were Bob Almur, Eric Chase, and Lowell Passey. Rocky Lacy placed third in the El Camino Tournament.

The JV Team captured second with a 7 win-1 loss record. The team was led by such stand-out individuals as Steve Appleton, taking first at the League finals, Ron Almur, John Bierholm, and Sean Rundell.

The Frosh Soph Team, under the coaching of John Vredenburgh took third in league. The team was led by freshman Bill Rubiano, who took first at the El Camino Tournament, and John Speltz, who took second at the El Camino Tournament. Coach Gary Kimbrell has high hopes for next year's team.

Dylan Gulbrandson, a sophomore, tees off during a meet, while two of his teammates wait to do the same.

At the 140 yards, Jerry Clark, the senior, hits a long drive. Clark, a junior, played on the team for the second year.

The Rolling Hills Golf Team is looking forward to another season in which to be remembered, posting a 4 win-0 loss mid-season record, and having hopes of going into CIF. Again this year, the team anticipates winning the Bay League Title. Returning Varsity members include stand-outs Dan McFarland, senior, and Dean Gulbrandson, sophomore. The other eight players all are about equal in talent, thereby giving the team tremendous depth. Rounding out the team are Bruce Levy, Sam Bloom, Joe Bowman, seniors Joel Fieri, Bryan Levy, juniors, and sophomore Steve Billings. Coach Jerry Kestenberg feels this is the strongest team he has ever coached at Rolling Hills. Playing consistently, he feels that they should have a championship team. With just four seniors RH should have an excellent returning team next year.

John Gibson, Rolling Hills diver performs a faultless back flip from the low board. John expects to do extremely well this season with hopes of going into CIF competition.

Swimming

Depth, experience, and an Ocean League Crown in Water Polo are the contributing factors to the successful season ahead. By losing only three seniors, Rolling Hills has built an exceptional squad for maximum results. The Varsity consists of numerous seniors, many in their fourth year of service. RH captured third place in the competitive Glendora Tartan Relays. The Titans finished first in the 100-yard Freestyle and Backstroke and in the 500-yard Freestyle. Robin Leamy, Bob Menzie, Jim Axtell, and Jim Wilson combined for the 400-yard Freestyle relay victory.

In the Peninsula Tournament, the team took second with Robin Leamy placing first in both the 50- and 100-yard Butterfly, to remain undefeated, and senior, Kevin Wilson, took first in the diving competition.

Coach Frank Akins describes this year's Bay League as "very competitive." He predicted that Mira Costa will win the title, with RH and PV close behind. Coach Akins feels that the team will be just as strong in the upcoming years.

Richard Henke gets off to an excellent start in a meet against Arch View. Coach Frank Akins expects a lot from this fine freshman swimmer.

Baseball

The Varsity Baseball Team got off to a slow start this season, with a pre-season record of 1-4-1, tying last year's CIF Champ Lakewood, 3-3. But the team came back to win their first league game over North. The Titans have a very sound defense and an excellent offense. The team is led by such outstanding players as Marc Schenasi, Tom Ratigan, and Jeff Ronk. The Titans are inexperienced in pitching, but they make up for it in their durable attitude. RH had good depth and balance this year and had many players come off the bench and fill in to do the job for the team. The squad is in the tough Bay League again this year. The League should be even more competitive than last season. Coach Garry Poe feels that if the pitching continues to improve as the year goes on, the Titans can compete with anyone in the Bay League. Having fulfilled all these requirements, the Titans may expect to find themselves in the CIF Title picture.

Freshman third baseman Clark Albright makes a diving backhand stab in a practice session this year. Clark was a valuable player for the Titans.

The Titan Junior Varsity Team finished the pre-season with a fine record of 4-2. Taking second in the thirty-two team El Segundo Tournament, the JV showed great promise. The Titans had previously beaten Artesia, Torrance, and Mira Costa to get into the finals against Arcadia in a close and exciting game that saw the Titans score first. Arcadia struck back to win 9-5. The team was led by Mark Capellino, Joe Garcia, Ted Lawson, Dave Yesnick, and Steve Frase. The hitting attack was led by Capellino, with help from Mitch Adair. If the offense continues to score runs and the defense holds up, the Titans should expect a good year.

This year's Frosh/Soph team had a disappointing pre-season. Beating Hawthorne 3-2 in extra innings was the highlight of the pre-season for the Titans. The team was led by Mike Moody, Ron Mosich, Ted Pintar, Andy Soltis, and Robert Yoklavich. Coach Belcher is hopeful of improvement and predicts a successful season over all.

The Titans are once again led by returning Varsity stand-outs Adam Cloth and Bill Nardi, both seniors. Adam Cloth was the second place finisher in the C I F Singles Finals last year. Other returning Varsity members include Liz Stalder, Rod Gabuya, seniors, and Hank Moravec, junior. Rounding out the Titans are Dave Berkavec, Jeff Tamura, seniors, Steve Walton, junior, Chris Wolff, sophomore, and Mike Flanders, freshman. The Titans are out to capture the title in the Bay League. The League was very tough last season and may well prove even more so in 1977.

The Rolling Hills Varsity Volleyball Team faced a season of stiff competition. Under the direction of Coach Kathy Bianchi, the team finished the 1976 season with a 6-6 Ocean League record. Led by the outstanding performances of Captains Leiann McLaughlin and Loren Lamont, the team tied with El Segundo for third place. Key victories were won over Lawndale and cross-town rival Palos Verdes. The team placed second in the Watts Summer Games and first in the annual Peninsula Invitational, hosted by Rolling Hills Varsity. Honors went to Sue Spengler, who was named Most Valuable Player, Soozi Oberholtzer, Most Improved Player, Leiann McLaughlin, Most Outstanding Player, and Loren Lamont received the Coach's Award.

Although the Junior Varsity Team was young and inexperienced, their undying spirit was persistent throughout the season. Coached by Ms. Cathy Naylor, the team worked hard and steadily improved all season. Their key victory was over rival Palos Verdes. Junior Varsity awards went to Kelli Ratigan, Most Inspirational Player, Marilyn Jenne, Most Improved Player, and Jana Brill received the Coach's Award.

The 1976 Girls' Tennis Teams faced a very difficult and competitive season in the tough Bay League. Due to the loss of several top Varsity players to the Boys' Team, they were unable to keep up with the tough competition of the Bay League. However, with the encouragement of Coach Judy Takii, the teams' spirit and enthusiasm were kept high throughout the entire season. The Varsity Team's closest match came in the second round against Palos Verdes, with a score of 9½-13. Outstanding performances were turned in by singles players Kerry Ottesen and Debbie Evers, who both participated in individual competitions. Kerry Ottesen was voted Most Valuable Player and was nominated for Athlete of the Year.

Doubles players Tina Nilsson and Anne Marie Bradley were of great value also, as were Anne Leamy, Tina Louie, and Cathy Ley. Junior Varsity player Cathy Sheridan was named Most Outstanding Player for her fine performance throughout the season. The Titans look forward to a promising 1977 season in the Ocean League.

Although the team was young, the 1976-77 Girls' Varsity Basketball Team, under the direction of Coach Kathy Bianchi, had a successful season. Playing in the Ocean League, the team started the season with the Bishop Montgomery Tournament. Throughout the season, senior Melody Potter lead the team in scoring, while Laura Wilson and Sharon Brininstool led in rebounds. Outstanding performances were also given by the two top sophomore guards Jana Brill and Lori Adler. With a 1-2 league record, the team hoped for a position in the top four by the end of the season.

The JV team was led by high scorer Marilyn Jenne, and best defensive player, Joanne Fox. Standing with a 4-2 league record for the season, the team showed definite signs of being in contention for first or second place.

The Girls' Track Team turned in an outstanding performance in 1977. The Varsity ended up Co-Champions in the PV Relay. Michele Bush was an outstanding performer in the mile, the 880, the 440, and relays. Heidi Fish excelled in the long jump, the 880, and the mile relay. Jane Harding was very successful in the 100, the 220, the 440, and relays. Karen Yee ran the 1-mile, and was the school record holder in the 2-mile. Mary Bridgnell held the school record in the high jump. Liz Lundy and Barbara Schorer were both skilled in the shot put. In the hurdles and sprints, Diane DiFiore turned in a star performance. Ann Gordon contributed greatly in the 440, both relays and the hurdles. Peggy Morgan was successful in the 880 and the 2-mile.

The Varsity Girls' Cross Country Team finished the season with a 4-1 dual meet record and first place in the Bay League Championship Meet. Sophomore, Michele Bush shattered school and course records almost everywhere she ran. Patty Driscoll, after finishing with an impressive eleventh place at the Moorpark Invitational, was injured and forced to remain idle for the remainder of the season. Karen Yee and Peggy Morgan were the team's most consistent second and third runners.

With only two returning seniors, this year's gymnastics team was young, but strong. Playing in the Bay League, the team's toughest meets were against South High and rival Palos Verdes. With Edie Zelon and Deigh Ann DePrez on the uneven parallel bars, Jennifer Kan and Sheri Booth on floor exercises, Lisa Harrington and Mary Gietzen on the ballace beams and Teresa Maynard and Carol Garcia on vaulting, the team showed great promise for the 1976-77 season. Outstanding performances were also given by all-around players. Vickie Roach, Eileen Stewart, Cindy Hayes and Sue Danforth. New players showing great promise for the team were freshmen Sheri White and Jennifer Molony. With the diverse talent of the team and the coaching of Ms. Janis Romo, the 1976-77 gymnastics team finished another excellent season.

The 1977 Softball Teams playing in the Bay League with all four Torrance schools had a tough season ahead of them. However, with such returning Varsity players as catcher Sue Spengler, outfielder Cathy Rennie, and third baseman Loren Lamont, the team had both strength and experience. Also returning were Debbie Calvert, pitcher, Jana Witous first and second base, and Jackie Bachand, third base, each of whom added their special talents to the team. The team's toughest games were expected to be against Hawthorne and Torrance. Coach Bill Barnett felt that with the talent and enthusiasm of both teams, the Titans looked forward to a strong and promising season.

WEATHER REPORT FROM MARS

From minus 120°F at night to a cozy minus 22°F at midday—those are typical readings from the miniature weather station we built for NASA's Viking I. Martian weather has been gentle and variable but at such low atmospheric pressures that the spit on a wet finger would evaporate in a flash. For the scientists on NASA's meteorology team, it has been almost like looking out the window at a thermometer and anemometer over two hundred million miles away.

To research meteorologists, one of the most significant things about Mars is that wind storms develop with lightning speed. That tenuous atmosphere can produce winds of more than hurricane velocity in no time at all by Earth's standards. The energizer for these sudden and violent changes in Martian weather is, of course, the same as it is for Earth: solar radiation. But, with no oceans to act as stabilizing heat sinks, the energy is transferred from surface to atmosphere very rapidly indeed, by convection. Both storms and calms on Mars are planetary in scope. By using data from this enormous laboratory in their mathematical models, scientists may be able to gain new insights into the way Earth's more complicated weather systems work.

Some of the TRW people who helped build the Martian weather station are already at work on instruments designed to analyze the atmospheres of Venus, Jupiter, and Saturn. The Venusian atmosphere is particularly interesting because it provides a set of conditions about as different from those on Mars as possible. Many times as hot and dense as Earth's

atmosphere, it's an example of the well-known greenhouse effect run wild. Could industrial pollution create anything like the same effect here? Venus, the ultimate laboratory, is ready; a new set of probing instruments soon will be.

Other NASA experiment packages, now under development or study at TRW, include systems to measure plasma waves and electric fields in interplanetary space, radiometers to measure the sun's total energy output with unprecedented

precision, and a laboratory for Space Shuttle in which experiments can be performed on fundamental atmospheric cloud processes without the disturbing influence of gravity. (Once again, man's understanding of a complicated process may be improved by removal of one of the complicating factors.)

Incidentally, the biology experiment we built for Viking is also working perfectly. Whether or not it will find signs of life in the soil samples it's been analyzing is still a question but it has already provided some unexpected data on Martian soil chemistry. This one cubic foot of instrumentation contains about forty thousand parts and does the work of three earthside rooms full of lab equipment. It's not surprising that Time magazine said "it must certainly rate as one of the age's technological masterpieces."

If you are interested in knowing more about the company behind these interesting technical developments, we'll be glad to send you an illustrated brochure on our overall capabilities.

Delphian

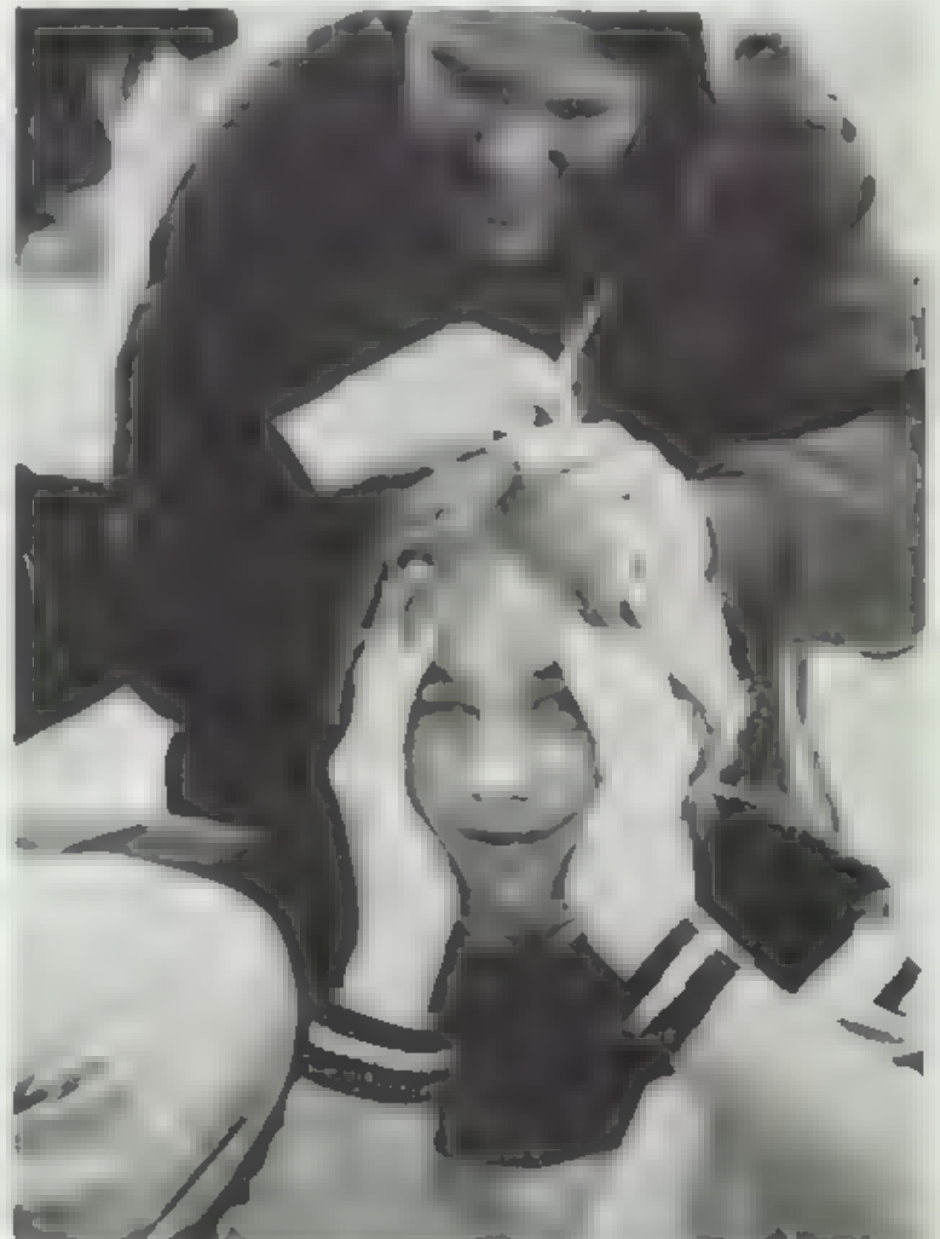

Section Editors, Carolyn Spooner, Monique Wolff, Clint Upchurch, Linda Evans, Joanna Wykes, and Reid Nansen. NOT PICTURED: Nancy Butler, Kathy Herold

Despite hell and high water, we survived this year. Pictures often came a week late, captions never had the right count, and weekends were spent working on deadlines. We had some good times too. Who could ever forget the rubber band fights and the Star Trek installments? We all traveled the path from Room 435 to the Snack Shack enough that we could walk it in our sleep, and often did!

Of course, the most important part of a yearbook is the people who make it happen. Rob, flirt extraordinaire; Brian, artist and resident perfectionist; Linda, sarcastic and humorous; Richard alias blushful; Hugh, and Brill, and Cassie, ever-present. Talented people, working, writing, and eventually giving birth to this, the '77 DELPHIAN.

Working on the Delphian is a hair-raising experience

Clint Upchurch waits in anticipation as he is extricated from a sticky situation

It's been a long year, and a good one. When we started in September, we had no idea what to expect. All we knew were dreams of glory and resolves that this year's book should be the best ever. (Doesn't every year start the same way?)

A yearbook isn't written for the moment; it's written for a lifetime. Someday, alumni whose selves have become far removed from high school, can pick it up, leaf through, and remember. It's because of this year's great staff that this will be possible. In particular, Susan, we thank you for your artistry and Richard for your photographic talent. Mike Photogou of Watson Studios and Steve Eddy from Taylor Publishing are also deserving of our appreciation because of all the time they gave us. Thank you, Mrs. Robertson, who came to Publications with talent and patience, but little practical experience, and managed to herd her brood with skill and understanding all the same. Last, thanks are extended to the "after school bunch," those on the staff who worked above and beyond the necessary, sometimes staying until 11 or 12 at night. To all of these people, other staff members, and any one we forgot, thank you for your time and the memories.

The California landscape — varied in texture and mood, influenced by its heritage. The adventurous who came to the mountains in search of gold or timber, and the first ranchers to settle around Malaga Cove — all left their mark.

Water with its life-giving properties is an inextricable part of this land. Whether it is running playfully down a mountain stream or rattling pebbles on the shore of Lunada Bay, the water is always there, its presence cool and magical

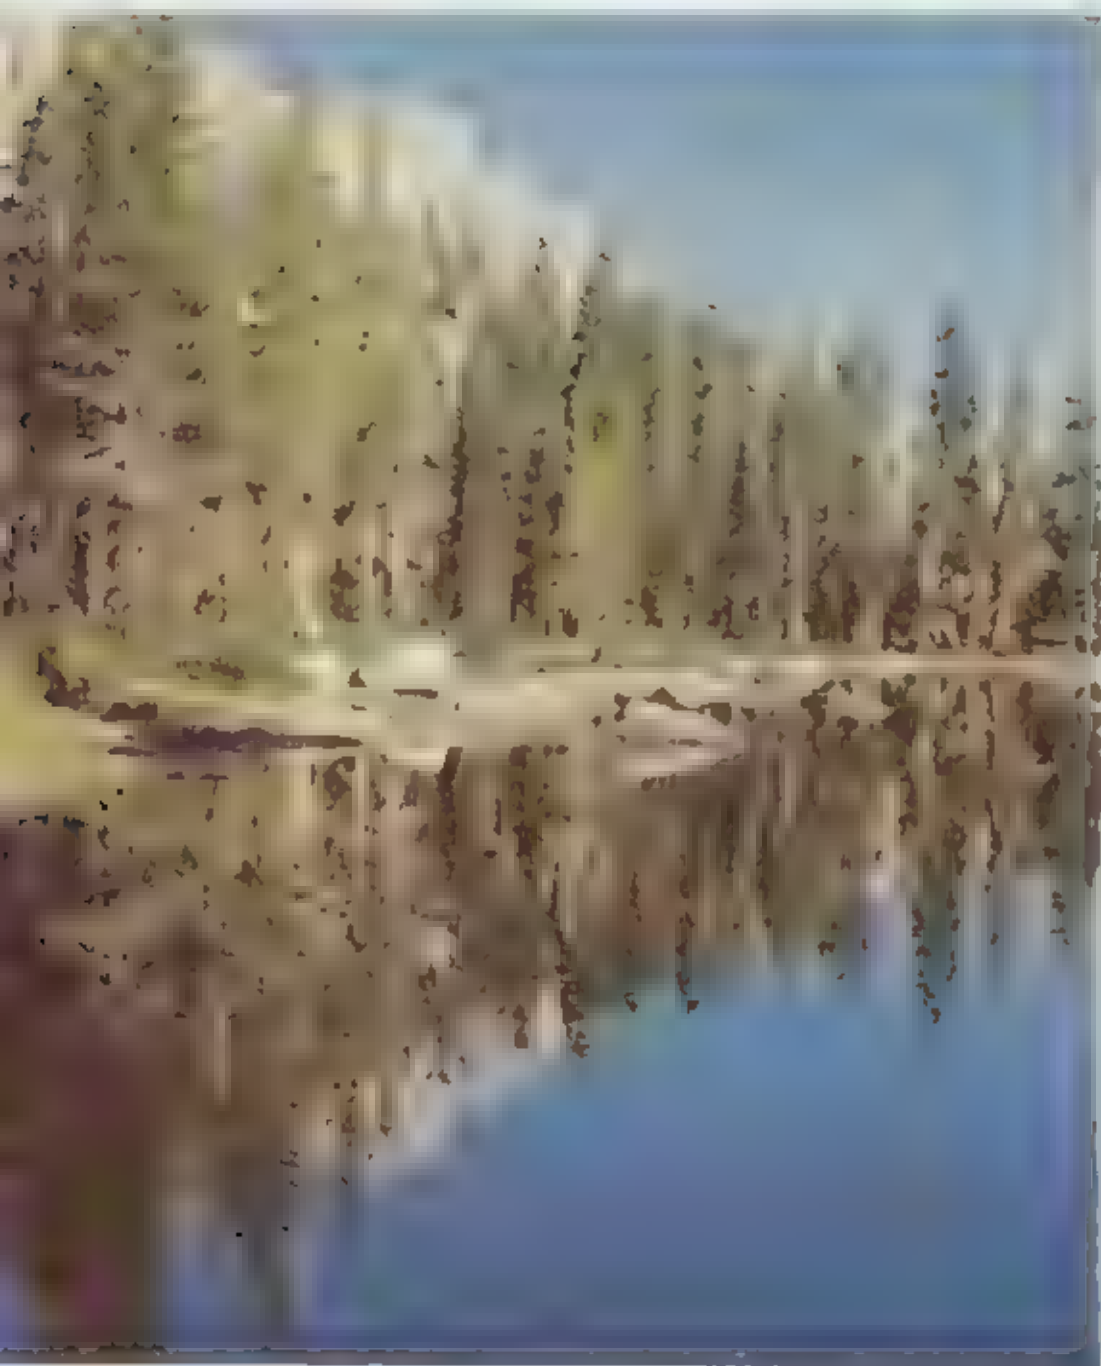

The ocean has a dominating presence, influencing the lives of those who live near it. Few Californians have failed to experience the joy of being out on the open sea, with the sails catching the wind. Salt sea breezes and waves exploding over the rocks awaken us to the Pacific and the pull it has on our very existence.

High in the mountains are lakes that delight the eye with their tranquility. Many escape to the Sierras to find this kind of quiet open space, so quickly disappearing in the cities

From the coast, to the deserts, to
the mountains, it's here and now

It has been hunting you.
